

Dear Parents,

The school year is almost over and the time has gone by too fast. I am writing my last newsletter with many emotions going through my head. Each journey of our lives has a beginning and, unfortunately, an ending. The children have grown up so fast since September. They have learned a lot of new things in addition to language. They have friends with whom they have shared, expressed compassion and empathy towards, forgiven, realized their own mistakes, and have open up to their own feelings. With the months gone by, their confidence has grown and they have learned to make better choice.

During the month of June, we will continue to learn different kinds of insects; we will talk about camping and finishing our year by talking about summer.

Date to remember for June:

May 29 and 30: Montrer-parler

June 2: Pattern Day – (dress your child with pattern design)

June 8 and 9: Going to the park (easy snack today, spoon snack)

June 14: Telus Park field trip for 4 yr old (both classes together)

June 15: Zoo field trip for 3 yr old (both classes together)

June 16: Talent show

June 19: Progress report going home

June 20: Year-end party – 3 yr old. Last day of school

June 21: Graduation: 9:00 – 9:30 am (Classe rouge) 12:45 – 1:15 pm (Classe bleue)
following by the Year-end party. Last day of school

I would like to thank all of the parents for your support and letting me have the opportunity to teach your child. They are very special to me. I love their funny stories, their eagerness to learn and willingness to do new exciting things. Thank you for your time you shared with me and to make each and every day a special one!

HAVE A WONDERFUL SUMMER!

Madame Claudette
