

Dear Parents,

May has arrived, and that means the end of the school year is near. Our classes has grown so much in so many ways this year, but we still have much to learn and do during the month of May!

May is a time of exploring nature's treasures and observing the cycle of life of butterflies and living things. We will talk about safety in park and n bicycle.

The Red and Blue classes will finish the unit on letters and numbers. It will be time to play with letters by recited them and put them in order. Also, they will categories and sort all kind of living things from the jungle, forest and farm animals, insects and plants.

Date to remember for May:

2:	Butterflies arrive today
8:	Presentation from OutdoorsIn (3 yrs old)
11:	Happy Feet presentation (4 yrs old)
14:	Graduation photos (4 yrs old)
15:	Montrer-parler (3 yrs old)
18 and 21:	No school
23 and 24:	Release butterflies (approximately)
24 and 25:	Multicolor Day (dress with many colors)
28 and 29:	Crazy Hat Day
May 31 st and June 1 st :	Mother's and Father's Day celebration (10:15am/2:00 pm)

Have a nice and safe springtime,

Madame Claudette
