Theme this month for the 4 yr old:

Christmas around the world and...

It's not everyone who celebrate Christmas the same way, we will acknowledge different celebrations around the world, like in Jerusalem they light a candle everyday for 8 days, in Poland they put hay under their tablecloth, in China they celebrate the celebration of light, Germany they wait until the first star before eating a big meal and in France they have a visit from St-Nicolas December 6th which he leaves candies in the children stocking. And I know all the adult want to be the Santa in Ireland, instead of cookies and milk the families leave a piece of pie and a beer.

Visiting the North Pole

We will start our visit at the reindeers stable to meet Rudolph, after we will finish the week with a field trip at the Revera Scenic Acres and Chartwell Colonel Belcher Retirement Residence, where we will give love and performing songs for the elderly. Later on we will say "Bonjour" to Mrs. Claus in her kitchen, she may gives us something to decorate.

Theme this month for the 3 yr. old classes:

Writing to Santa *to make sure he knows what we wish for Christmas and to make sure we are very good all through the year we will meet his helper "the Elf on the shelf". Also, we will decorate a gingerbread man cookie right after the Gingerbread*

man puppet show. Finishing our month on a surprise visit from Santa, all parents are welcome an hour before the end of classes at 10:00 am and 1:45 pm on December 20th.
