

Dear Parents,

We did it! Beginning preschool is a big event in the lives of your child and you too, parents.

It's time to welcome October! Our classes are excited about falling leaves, turkeys and Halloween. This month we will be cutting and pasting, experimenting, exploring and learning many new and exciting things. During the coming weeks your child will bring home art projects, your interest in and appreciation is extremely important in encouraging and stimulating your child's desire to learn and grow.

**Dates to remember:**

October 12 and 13: Thanksgiving and PD day - No school

October 15 and 16: Photo Day

October 26 and 27: Orange Day

October 29 and 30: Halloween Party

**Halloween's Party:** Besides their birthday, Halloween is by far the children favourite time of the year (maybe equal with Christmas morning), I think. Let's make sure all the children will have a super fun party. Parents are not invited to our celebration this year due to Covid-19. But if you want to bring something special as a cool snack for your child you are welcome, no peanut, nut, or tree nut please.

Your child can wear his/her costume in class; please **no weapons or any instruments of violence.**

Have a spooky month everyone!

Madame Claudette
