

January Newsletter

Bon retour, welcome back everyone!

I will like to take a moment to wish all of you a marvellous year filled with health and happiness.

The arrival of winter provides us with an opportunity to speak once again of seasons, winter sports and our famous Québec Carnaval. The celebration of the winter festival or carnival in the francophone culture gives us the opportunity to go outside and have fun with the snow. Painting snow, making snowman (if we have good snow), an obstacle course, and more, and a special snack outside (hot chocolate) will be on the program Thursday January 14th (3 yrs old) and 15th (4 yrs old).

On academic side, for the 4 yrs old classes, we will focus our efforts on knowing numbers 4 and 5 and letters with curves. In 3 yrs old class we will focus on counting to 10 and learning our ABC song.

In the third and fourth weeks of January we will talk about dinosaurs and I am sure children will love it.
